A Peaceful Zimbabwe For All Generations

AFRICA DAY MESSAGE

The National Peace and Reconciliation Commission (NPRC) joins the nation and the rest of the Continent in commemorating the 60th Africa Day Anniversary. In the history of the African Continent, the day will forever be cherished as it marks the commitment of African member states' key role of liberating the Continent. The day symbolises Unity and togetherness which commenced with the formation of the Organisation of African Union (OAU) which later morphed into the African Union (AU) which set aside this day for celebration in the African Continent. In honour of this day, the NPRC calls for all Zimbabweans and fellow African Brothers and Sisters to continue to preserve and promote peace in the country and the whole African continent. It is important that the nation and the Continent at large embraces unity, peace and reconciliation, a vehicle that will see through the attainment of a ***Prosperous and Empowered Upper Middle-Income Society by 2030*** in Zimbabwe as well as the realisation of Agenda 2063 for the African continent. As a Commission, we continue to conciliate and mediate disputes among communities, organisations, groups, individuals and call for the peaceful resolution of conflicts. ***Remember Peace begins with me, Peace begins with you, Peace begins with all of us.***
